Principal's Report to Parent Advisory Council

December 2, 2020

Winter Rec

I have tentatively booked cross country skiing for Division 1 Jan 15, 22, 29, and Feb 5. We will need at least 6 parent volunteers to ski with the students and a truck to transport equipment in order to be able to go. Due to COVID, parents will not be able to ride the bus and must have face coverings. The chalet is closed, outhouses will hopefully be available (if not, we may have to cancel).

Goal Setting Conferences – Early Dismissal

The goal setting conferences were the first of three formal reports this year. Two formal, more typical, report cards will follow; one on February 18 and one at the end of the year. As always, teaching staff are available to meet to discuss your child's progress; parents just need to make arrangements with the classroom teacher.

Christmas Performances

There will be no formal concert this year, but student performances will be recorded and shared. It is important that we have all media consents complete in order to share the recordings.
